

Party Packages

Contact: Jeremy Thomas at jthomas@gptx.org

The Epic has a variety of youth party packages that will be perfect for your next occasion. With these party packages you may bring your own food, drink and decorations. You will have 15 minutes before and after for set-up and tear down. All parties must be booked 14 days in advance and payment in full is due at the time of the reservation. Participants refers to number of children participating in the party.

Party Rental FAQ

Questions Contact jthomas@gptx.org

How many people can I have in my party?

There is a max number of child participants per party,. Parents , relatives or friends of the family do not count against the participant total. Pool parties: 30 participants ; KidsPlay parties: 15 participants

Can I pay more to add additional people to my party?

The number of participants can not be increased. Only a certain number of wrist bands will be given out to the participants and if more than that show up they will be turned away.

How earlier can I arrive for my party?

You are permitted into the room 15 minutes prior to the party starting and 15 minutes after to clean up.

Can I book extra time for my party?

Only the KidsPlay and Game Room Party may add an additional hour to their party. For all other parties, if you need extra time you may potentially book two party time slots that are one after the other and have a longer party that way. Your party would be allowed to stay in the pool/room during the time between the two parties.

Where do we enter for our party?

Parties will come through the main entrance. You may use the traffic circle by Epic Waters to unload.

What is provided in my party?

- Pool Party - Party room with five - 5' rectangular tables, up to 30 chairs, refrigerator, microwave , sink and tv; pool area amenities include access to all pools, play structures and 2 story slide (if 48" tall); and locker rooms.
- KidsPlay Party - Party room with 4 kid's tables, two- 6' tables and up to 15 child sized seats; access to indoor and outdoor play structure weather permitting; sink, and restrooms.

Is there a party staff person that will run the party?

There are Party Attendant's who will assist you to your room and help make sure you have everything you need for your party. They do not run the party or serve food and drink.

Can I bring in food or do you serve food?

We do not provide food options, but you may bring in your own food and drink to be consumed in the party room.

Can I serve alcohol at my party?

No, youth party packages do not permit alcohol in those areas.

Can I decorate the room?

Yes, but no tape or tacks on the walls. You may use tape on a window or adhesive putty to hang items from the walls. All items must be removed at the end of the party.

What items are not permitted?

We do not allow confetti, glitter, party poppers or pinatas. Also, in the pool area we do not allow glass containers., inflatable water wings and innertubes.

Do adults have to get in the water with their child during pool parties?

For the safety of all children it is strongly encouraged for parents to get in the water. Children under the age of 6 must have a parent in the water with them. If the parent did not bring a suit, the child will be permitted to swim only if they wear a life jacket at all times while in the pool.

Are Lifejackets available for all the children in the party?

We do have a certain amount of lifejackets on hand, but they are first come/first serve. It is suggested to bring your own lifejacket as availability is not guaranteed.

Can I receive a refund if I have to cancel the party?

All rental cancellations must be made more than 14 days in advance to receive a full refund. No refunds will be given for inability to use outside areas including the patio. Refunds are not issued on site. Credit cards will be refunded to the original card. Checks and cash will be refunded by check and will take 2 weeks to receive in the mail. Rentals may be transferred to a different date if due to illness or death in the family depending on availability.
